Burntsand Ranks 24th on Branham's Top Professional Services Companies List

Toronto, ON. April 1, 2008 – Burntsand, Inc. (Burntsand) (TSX: BRT), a leading North American provider of Integrated Information Management Solutions, today has been named number 24 on the top Professional Services Companies in Canada list according to the prestigious Branham awards. In addition, Burntsand was ranked at 109 on their Top 300 Canadian Tech Companies List.

The Group lists are *the* authoritative roundups of Canada's top-performing tech companies, from a leading "Go to Market" consultancy exclusively focused on the technology sector. Branham sees Canada's highly skilled and growing workforce, continued growth for firms across all categories, and continuing innovation in all fields setting Canada apart as a proven hub for leading-edge technology, talent and capabilities that continue to garner international recognition. Burntsand's unique combination of business intelligence and development expertise has positioned us well to leverage these strengths.

"Burntsand is continuing to make huge inroads in the rapidly expanding, cutting edge world of SharePoint platform-based application development. Combine that with our rock solid base as the industry leader in service management solutions, and I see a very exciting year ahead for us" says Marty Glover, Burntsand's CEO. "Appearing once again on Branham's lists is a great honour. I am confident that Burntsand's unique delivery methodology, Time to Value, will allow us to continue to deliver and be recognized as a Best in Class integrator."
